

MONUSKIN

NATURAL ACTIVE SKINCARE

KEY ACTIVES

Aloe Vera

A soothing, moisturising and healing extract taken from the succulent aloe plant. A natural sun filter. Extensively researched with very positive results.

Calendula

An extract taken from Marigold flowers. It acts as a decongestant and has proven purifying, healing, soothing and anti-inflammatory properties.

Jasmine Essential Oil

This popular essence has an exquisite floral scent, which is sensual and soothing. Jasmine can be used to tone and maintain elasticity in dry, mature skin. It is relaxing, whilst uplifting.
