

MONUSKIN

NATURAL ACTIVE SKINCARE

KEY ACTIVES

Hazelnut Oil

A light, easily absorbed oil which is well suited to combination and oily skin types. Rich in essential fatty acids.

Patchouli

An exotic and stimulating oil from India with a woody, sensuous aroma. Patchouli is used in skincare for mature skin and has a relaxing effect on the system.

Rose

This special oil has a gentle, floral aroma that is extremely mood enhancing. It is used in skincare when treating sensitive skin and can also lift the spirits. Only a little of this essence is required, as its perfume is intense.
