

# Ear Piercing

**£40**  
+ VAT

**Course Length :** Up to 2 hours

**10am - 12pm**

## Course brief:

Learn about and practice ear piercing under close tutor supervision. This course gives you a detailed account of the products used, processes involved and laws surrounding ear piercing, as well as the opportunity for students to practice piercing of the ear lobe.

## Skill Level:

This course is suitable for beginners.

## Course Overview:

- Overview and description of products
- Thorough explanation of the ear piercing process
- Piercing of the earlobe under close tutor supervision
- Laws surrounding ear piercing

## Important Info:

Students must be 16+. You must arrange to have a model with you for 11am, (aged 16+, ID may be required) to pierce their lobe or lobes. This can be their 1st, 2nd or 3rd ear lobe hole. Check with your local authority before attending this course as you may have to pay a registration fee for piercing in your salon. Should the course not have enough delegates we can offer you the virtual training as an alternative, at a time to be decided between yourself and Caflon Education team

## Equipment Needed For In Store Practical:

You must purchase either the Caflon Introduction Kit or the Caflon Starter Kit to be able to complete this course. You will also need to purchase the Caflon Registration Book. Please ensure you purchase the kit of your choice and the registration book as soon as you book your place on the course.
