

Key Ingredients

Marine Collagen

Marine Collagen is an excellent humectant which helps maintain a healthy-looking, youthful appearance. It contains 8 essential amino acids, which exhibit powerful moisture binding properties. This helps to enhance suppleness and flexibility of the skin, prevent dehydration, and reduce the appearance of fine lines and wrinkles.

Kukui Seed Oil

Kukui Seed Oil is rich in antioxidants and forms a protective barrier to help protect skin against environmental damage. Known for its powerful skin-soothing properties thanks to its omega 3 content and provides moisture and nourishment to dry, mature skin types.

Passion Flower

Passion Flower Seed Oil is a fantastic source of omega 6 fatty acids, containing nearly 80% linoleic acid, which helps to restore skin's barrier function. Also known for its skin-soothing properties and is rich in antioxidants to protect and brighten skin's appearance.

Glycerin

Glycerin is a necessary component of healthy skin; it occurs naturally in the body and is an unsung hero when it comes to skincare. SBC's Glycerin is a vegan-friendly humectant, which means it can draw in and retain moisture from the air around us. Suitable for all skin types, it serves to help strengthen the moisture barrier, keeping it soft and supple.
